

ED-Auth Service Registration Form

Please return form to: **IRM** (Mail code 0214 or Fax 231-8649)

ED-Auth is a restricted directory used for user authentication and role-based authorization. Services needing to connect to ED-Auth for the purpose of authentication and authorization must be registered with IRM, the sponsoring authority for the Enterprise Directory system. ED Usage Requirements is a document describing the technical configurations and policies that must be adhered to by services that use ED-Auth. Your signature on this form implies that you have read and agree to abide by the **ED Usage Requirements** (http://www.middleware.vt.edu/pubs/ed_usage_requirements.pdf).
